WHY:

Programs like Fall Festival help to keep the Pack active and healthy while introducing new Tiger Cubs to Cub Scout camping. Most boys join Scouting for camping opportunities and this fall adventure is an opportunity that should not be missed!

PROGRAM:

Campers will have the opportunity to participate in pumpkin picking, hayrides, crafts, field games, St. Croix River Cruise, fishing, pony rides, hay maze, obstacle course, BB-gun shooting, archery, and more. (Not all activities will be available at each location.) The Fall Festival is less intensive than the summer resident camp program. This is a great opportunity for new scouts to learn about camp and for experienced scouts to enjoy a unique day camp experience.

FEE:

Cost is \$15 per youth. *Adults and kids under 5 attend for FREE!!!*

WHAT TO BRING:

Please bring a bag lunch with you to camp as lunch will not be provided. Campers should dress appropriately for the autumn weather.
